

USER STORY

Alex

As a/an art gallery owner who strives to make art more inclusive

type of user

I want to properly introduce artists, whose work I display in my gallery

action

so that they can connect to new audiences and potential buyers •

benefit

USER STORY

Eleonor

As a/an busy nurse who loves art

type of user

I want to visit art galleries and receive adequate information

action

so that I can discover local artists and get familiar with their work •
